

Vicki Ann Bean Topliff
May 7, 1943 ~ August 3, 2014

Vicki is not only my big sister and my only sister, she has also always been my biggest and best example of purity and love-the-Lord living. I've often referred to us as Mary and Martha from the New Testament. I am Martha, always cumbered about much serving. Vicki is Mary, always sitting at Jesus' feet, hearing His word. This likeness is evident even here, on this very website!

- ♥ I am regularly cumbered about much serving as I plan, prepare and present "Mormon Tea", an original program celebrating womanhood, sisterhood, friendship, beauty, dainty and delicious delicacies, and sharing from the heart.
- ♥ Vicki shares her deep devotion and love for the Savior and His Gospel through her many years of studying and compiling her favorite and most inspirational quotes from the Savior and his chosen servants, and other wise and faithful people – approximately 3,000 typed pages broken down into over 400 categories!

We are pleased to share this extraordinary gift of love with our viewers, and thank Vicki from the depths of our hearts for her legacy of truth and inspiration, courage and encouragement, faith and good works, compassion and grace. She will be tenderly missed as her testimony lives on.

We will continue to add inspirational quotes in keeping with the desires and intentions of Vicki's pursuit to bless the lives of her children, and now all of God's children, wherever they are on this beautiful earth.

*With my deepest adoration and gratitude,
Your little sister, Lori*
